Forecast for Monday 02 Dec 2024

Weather: Clear spells and scattered showers during the overnight period. Scattered showers turning to longer spells of rain during the morning, with perhaps some sleet on hill tops, this clearing southeastwards during the early afternoon to leave sunny spells behind. Clear spells during the evening.

Chance of cloud-free hill tops above 800m: 40-60% improving 90% late afternoon

Low Cloud and visibility: Few or scattered cloud base 500-700m, clearing early afternoon. Visibility good, falling moderate in rain or showers.
